EXPERIENCE

Eric Caligiuri advises domestic and international clients through complex Intellectual Property disputes.

Mr. Caligiuri's practice focuses on Patent and Trade Secret Litigation in federal district courts, California state courts, and before the International Trade Commission (ITC). He has experience representing companies in a wide range of fields, including semiconductor products and processes, mobile device components and applications, networking, and systems-on-a-chip (SoC's). Mr. Caligiuri also has experience handling employment and commercial litigation matters. Mr. Caligiuri is admitted to practice before the U.S. Patent and Trademark Office, and has experience with patent and trademark prosecution. Prior to attending law school, Mr. Caligiuri worked as an engineer.

Representative Matters

Note: confidential matters advising clients on pre-litigation IP issues, third-party subpoenas, licensing agreements, and patent prosecution issues cannot be listed, but the following list shows representative litigation matters.

- Magnacross v. Novatel Wireless, Inc. (TXED). Representation of Novatel in patent litigation involving wireless data transmission systems.
- CalAmp Wireless Networks v. Novatel Wireless, Inc. and Enfora, Inc. (TX State Court, 14th Judicial District, Dallas County). Representation of Novatel and Enfora in a contract dispute.
- Envisiontec, Inc. v. Formlabs, Inc. (CACD). Representation of Formlabs in patent litigation involving 3D printing.
- Representation of Novatel Wireless in a two-patent litigation concerning manufacturing/assembly of IC chips. Anza Technology, Inc. V. Novatel Wireless (CASD)
