### EXPERIENCE

**Josh is an experienced trial attorney and a member of the Firm's Litigation, Intellectual Property, and Real Estate practice groups.**

While Josh is based in the Sacramento office, he serves various clients throughout the State of California and across the United States.

Josh maintains a general Litigation practice, with a particular emphasis on disputes involving real property and intellectual property (specifically, trademark and copyright). In addition to those two practice areas, Josh handles a broad range of commercial litigation matters for clients in various industries, including, but not limited to, hospitality, real estate, sports and entertainment, agriculture, and construction.

In addition to Josh's litigation practice, Josh assists clients with trademark and copyright clearance, registration, licensing, and enforcement. As a result, Josh has extensive experience dealing with the United States Patent and Trademark Office and the United States Copyright Office. Josh has also successfully handled various matters before the Trademark Trial and Appeal Board.

Josh is a frequent contributor to *The IP Law Blog*, and JD Supra named him a Top Trademark Author in 2019, 2020, and 2022. With fellow IP attorney Scott Hervey, Josh hosts *The Briefing from the IP Law Blog*, a YouTube series and podcast on current trademark, copyright, and patent law, as well as IP litigation and intellectual property in the news.
