CORPORATE LAW

Weintraub Tobin Corporate attorneys work with our clients to navigate the legal and financial challenges that business leaders and companies face today. We provide comprehensive legal services for a considerable array of companies from emerging growth companies and privately-held companies to national and international public companies. Each of these entities has many variations to manage distinct financial, operational, and tax goals. By listening closely to our clients, we deliver quality legal services that meet their business objectives.

Our Corporate attorneys work with clients across a broad range of industries, including agribusiness, technology, manufacturing, financial institutions, real estate, and entertainment.

Our Corporate practice includes sub-practices in:

- Capital Markets
- Corporate Governance
- Emerging Companies and Venture Capital
- Mergers & Acquisitions
- Nonprofit Organizations
- Private Equity
- Tax
